

## ENVIRONMENTAL POLICY

OPAIN's efforts are focused on the preservation and protection of the environment, in line with its sustainability policy, and it is committed to:

- ✔ *GeS* Managing cross-cutting environmental aspects and impacts in the operation in order to prevent, mitigate, control and offset them.
- ✔ *Gen* Generate a culture of preservation of the environment among the stakeholder groups identified by the organization.
- ✔ *Rea* Perform standard practices of the airport industry to manage environmental aspects, in compliance with legal and contractual provisions.
- ✔ Reduce, reuse and recycle the solid wastes generated by the organization through the Zero Waste Management System (SGBC).
- ✔ Continuously improve the environmental control and management system.

*In faith of the above, we sign*
